2. Agreed services

- 2.1. Based on this framework contract, you can use ThePay. You will have your electronic money in your ThePay account, with which we will allow you to conduct various financial transactions.
- 2.2. If you have not already done so, we recommend that you request to start one of the related services to take full advantage of the possibilities that ThePay has to offer. All information can be found in the Terms and Conditions for each service.

3. Validity period

- 3.1. The framework contract is concluded for an indefinite period. The method of termination can be found in the Terms and Conditions, but we trust that you will not have any reason to terminate.

4. What the contract is governed by

- 4.1. This framework contract is governed by the Terms and Conditions. Fee Schedule and, of course, a whole range of legal regulations, in particular the Civil Code, the Payment System Act, the Anti-Money Laundering Act and others, we collectively refer to as the Governing Rules.
- 4.2. In the case of expressed interest in launching any of the related services, an addendum to the framework contract will be created. The addendum will contain information about the service, and the terms of service, and you will find out how much the service will cost from the Fee Schedule. After signing the addendum and completing the necessary review processes at our end, the requested service will be launched.

5. Contact details and signature

5.1. We and you together declare that we have provided true information. You also declare that you are familiar with the Terms and Conditions, Governing Rules and Fee Schedule.
